the Voic	ng is a summary of a half-hour radio program brosse of Vietnam, Hanoi, DRV, to the mountain people at 01:45 GMT on 4 February 1956, 15020, 9465, 785	of the South Vietnam High-					
independ	Dinh Diem has told the compatriots of the highla lence of the country and that he will treat the his as the Vietnamese. But can Ngo Dinh Diem kee	ighlander compatriots on the					

- realize that Ngo Dinh Diem is trying to sell the country to the Americans.
- 2. (Music in honor of President Ho Chi Minh.)
- 3. The Government of the South has slanderously said that we invite the Russian and Chinese Communists into our country to make it a Communist country. This is wrong. Compatriots of the highlands, do not listen to the South. In reality we only invite the Chinese technicians to come to help us in the domains where we have no technicians. The Government of the South is trying to hide its maneuvers. Ngo Dinh Diem has called for separate elections for a national constituent assembly on Mar. 4 and pretends that this assembly will be a people's assembly. Our compatriots must realize that Ngo Dinh Diem always seeks to reject the Geneva Accords, and especially the clauses on the elections of July 1956.
